

# School Visit Fees

I love visiting schools and strive to keep my fees as affordable as possible. You can afford an author visit! Coordinate with other schools in your area to keep costs low, apply for grants, reach out to parent groups, or send me a proposal with your budget and school information. I will consider all requests.

## In-person Visits (for the 2023-2024 school year)

Full-day visit: up to 3 presentations and/or workshops, 1 small-group Q and A session, lunch with students or staff, book signing **\$1900** plus travel expenses (fees may be negotiated for schools within one hundred miles of Eagar, AZ).

Evening events requiring an extra night's stay may be included for an additional **\$500**. Two schools may split a day (on the same day). A half-day visit includes one full presentation, extra Q and A (or K-2 presentation), and book signing. Because travel is extremely time consuming from where I live, I reduce the daily fee if I'm able to visit multiple schools in a single area. Plus, you can share the travel expenses. I recommend reaching out to other schools in your area to see if they would be interested in a visit.

- 2 full-day visits on a single trip reduces the daily fee to **\$1600**
- 3 days on a single trip reduces the daily fee to **\$1500**
- 4 days on a single trip reduces the daily fee to **\$1400**
- 5 days on a single trip reduces the daily fee to **\$1300**
